# Spring at SHS

The Spring Extra shows the Senior Class assembled in their '01 configuration shortly before Graduation, sporting their purple colors and happy faces. Next, are candids from this year's spring musical, "Brigadoon". Rather uniquely, two roles were played by two leading ladies: Amy Pugliese & Kelly Byrne and Kasia Tomecka & Laura Gulli. The facing page records the NAHS induction and art show as well as art displays around the school. Also that evening, musicians performed in the Solo & Ensemble event. Three big art projects supported Service Learning initiatives.. Responding to the Indian earthquake tragedy, Mrs. Viva's students created a calendar focusing on Indian culture each month. Ms. Fried's students created exquisite note cards featuring Indian deities. Other students of hers in printmaking classes created Indian fables, illustrated with scratchboard art, bound them in hand-made books, and then shared them with elementary school students.

From "I once Was a Monkey" (Stories Buddha Told): "The startled animals turned their heads toward the voice. There, in a deep recess at the far corner of the cave, a stone statue sat in front of a glowing halo, his face tranquil and his hands raised as if showing the way."

From "The Moon Hare": Hare remembered the words of the Holy Man, and he said to his friends, "If a beggar comes this way, we must give him food, even if it means that we have to go hungry ourselves."

The spring *Extra* is a 40 page supplement to the 2001 Colonial Yearbook. Photo Credits: Mr. Munzner, Mrs. Black, Mr. O'Connell, Mrs. Meyers, Mrs. Bergman, Dave Chapin. Advisor: Mrs. O'Leary; Page Design & Layout: Tejal Patel '02.

The Easter Bunny (Ms. Toti) paid a visit to Michelle Gonyea, Mrs. Meyers and SHS. A sure sign of Spring is the Juniors' visit to the College Fair! Craig Gendron and Dan Morgado are working with Mr. Perreault to construct a moveable display case with glass top and lighting. The Super Seniors (Football) gather for a picture at the Senior Prom.

## SHS Summer Job Fair

Mr. O'Connell and Mr. Costa spent weeks inviting local businesses to come to Shrewsbury HS to offer summer job opportunities to SHS students. Approximately twenty arrived before lunch to set up their booths and organize their information. Hundreds of students took advantage of this great chance to earn money over the summer vacation. Mr. O'Connell and Mr. Costa provided every student in advance with information about interviews and the job skills they would need.

# Speech & Debate

Think of it: you and your 24 best friends, huddled together at an awards ceremony on a Saturday evening, celebrating the success of one and all. The Speech Team not only offers an outlet for individual talent, the opportunity to establish confidence and enhance the ability to present one's thoughts in public; but it also gives each the chance to create long lasting friendships. This year, the team has experienced great accomplishments. Attending over twelve tournaments, they had finalists at everyone. Four members were state finalists, one of whom took home the state championship. Thirteen will take part in the National Tournament in New York City. Speech's two coaches, Mr. Rischitelli and Ms. Avedian, are the backbone of the team. They strive to bring out the best in everyone. The lessons that each person learns are ones that will help them throughout the rest of their lives. Speech is a wonderful experience. For many, there is nothing greater than being a part of this amazing team.

# *Boys' Spring Crew*

The team had significant races with medals won during the season; first boat, a silver; second boat, a bronze; third boat, a gold. The team is led by Captains Ed Burnett and Dave Snowdon. The first boat is coxed by Rob Dalton; the second, by Brian McDonald, each of whom is ending his 10th competitive season. Ed Burnett and Greg Young, are competing in their 9th. Mrs. Krause coaches the team. The team competed in the NEIRA at Lake Quinsigamond. Schools from all over New England come to compete in this race.

Boys Crew: seniors Justin Anderson, Ed Burnett, Rob Dalton, Jeff Jin, Brian McDonald, James O'Connor, Dave Snowdon, Greg Young; juniors Frank Cornine, Tom Godfrey, Robert Harris, Phil LaPlante, Benjamin Lebeaux, Kevin Lustig, Mike Whitaker; sophomores Jacob Appelbaum, Shawn Green, Justin Leonard, Peter Mulcahy, Andrew Snowden; freshmen Charles Abedelahad, Ryan Carbone.

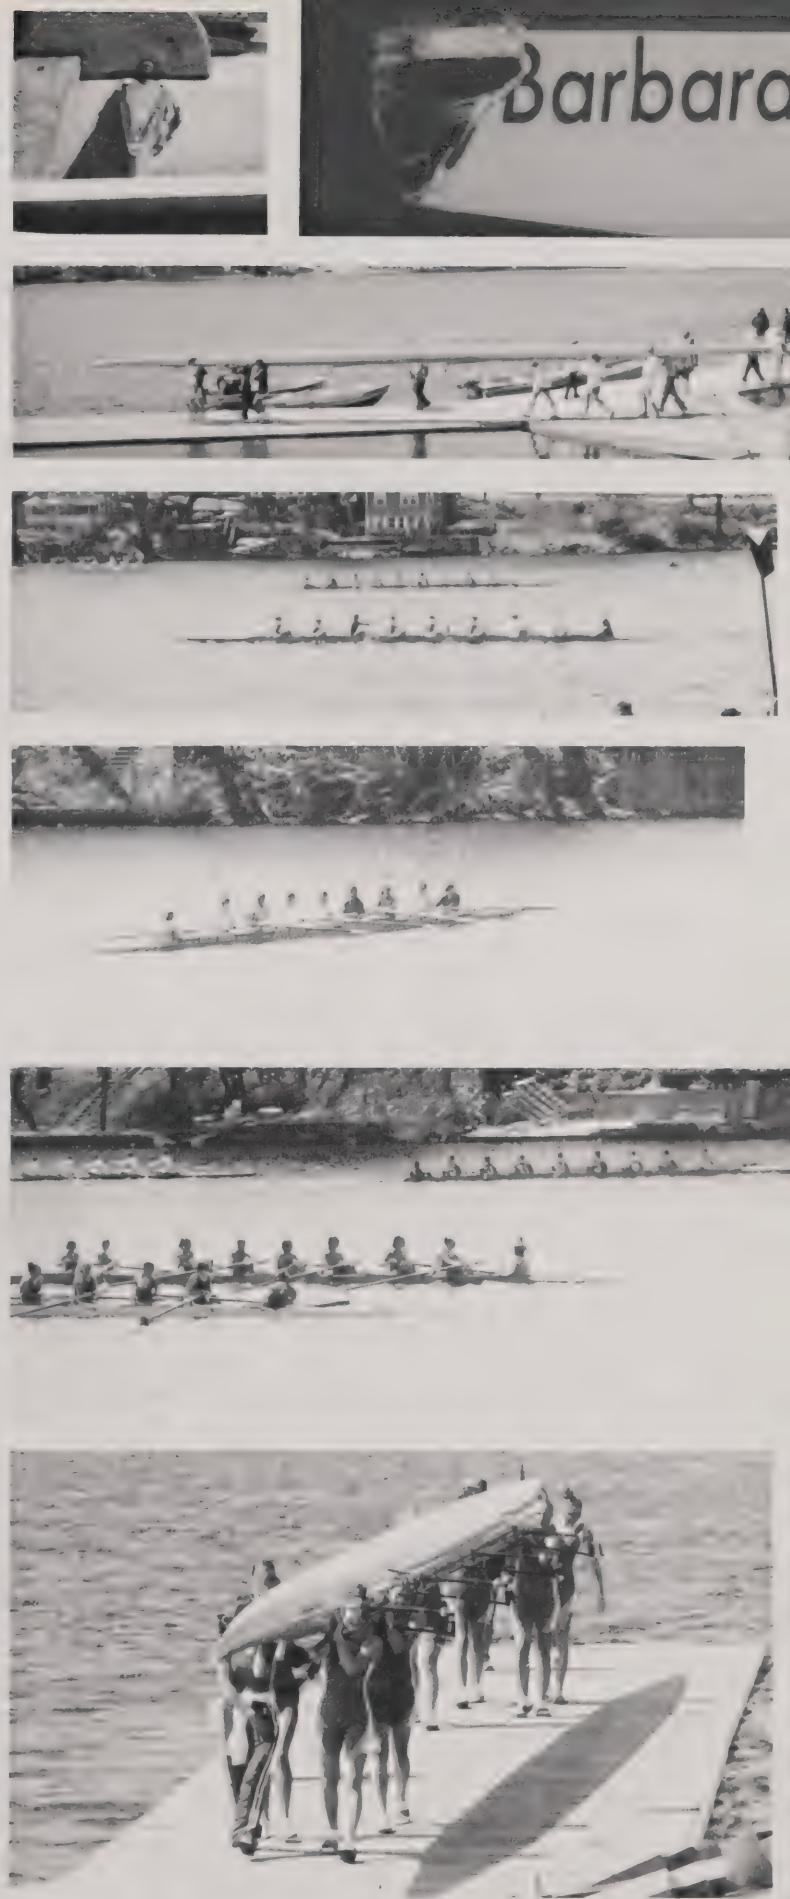

# *Girls' Spring Crew*

Smiling faces greeted Captains Nicole Lodowsky and Julie Thayer as they began their 5th season of spring crew. The duo welcomed the girls with excitement. Practice was hard and often meant battling the track team for workouts on the track, never losing motivation when Mother Nature kept a thick layer of ice on Lake Quinsigamond.

The team set up an e-mail system. The new girls found out fast that being there for one another is vital in crew. Each of the eight ladies rowing together is relying on the others to push their bodies to the limits and to stay together. And, don't forget the coxswain, whose job it is to keep eight minds focused on one idea.

Thanks to Phu Mai, girls fourth boat was able to have their own private coach. Jason Abraham kept third girls busy continuously, pushing them to do their best with his Northeastern University workouts. Mr. Krause coached both first and second boats. Two boats kept him on his toes with workout plans and daily drills for water technique. The seven seniors, Lodowsky, Thayer, Cara Rogers, Sara Bernard, Alex Pappas, Christine Medlar and Jenny Grillo, feel they could not have even thought of a better way to end their years at SHS than to be on the girls crew team!

Juniors Caroline Ballou, Cheryl Cox, Courtney Cronin, Kristine Millette, Lea Roberge; sophomores Katie Brazauskas, Christen Buck, Lori Chambers, Erica Cove, Lauren DeAngelis, Megan Dunn, Megan Eknoian, Jessica Hardy, Annie Malinkevich, Erin Medlar, Shannon Skavis, Jackie Thibault, Helen Welch; freshmen Tara Beaupre, Eleanor Broer, Alyson Droege, Jaclyn Dustin, Nicole Flanagan, Katie Lebeaux, Theresa Mastrofillippo, Shannon O'Toole

# *Baseball*

The team picked up this season where it left off last year. Finishing with a solid 15-5 record, they look to duplicate last year's post-season performance. With victories over Leominster, Milford, Wachusett and Fitchburg, the team won its first league championship in 23 years. Led by seniors Shawn Walker, Lee Diamantopoulos, Andy Morano and Matt Vaccaro and a strong cast of juniors, the team has proven that they are obviously a central Mass "powerhouse".

The varsity seniors were joined by juniors Matt Amdur, Ryan Bigda, Todd Cooksey, Tom Crossman, Tim Ford, Tim Kilroy, Bill Moynihan, Bill Orfalea, Mike Sigismondo, Nick Todisco; sophomore Alex Baez and freshman Tony Pawlik. Manager is junior Michelle Pessolano. Coach is Mr. Niro.

JVs are coached by Mr. O'Connell: sophomores Justin Clouthier, Dan Cronin, Zack Hastings, Ryan Hawley, Mike Morand, Ronnie Nelson, Justin Onorato, Sam Perotto, Ryan Smalanskas; freshmen Chris Adams, Jon Aditays, Rory Ahern, Roy Amin, Russ Frederick, Mark Grala, Bryan Grieski, Matt Holland, Alex Sage, Scott Shankle, Dan Stockhaus.

# Softball

This year the softball team has had an unpredictably great season. It was thought to be a re-building year with only five returning starters, but the Colonials proved everyone wrong. The first nine games quickly zoomed by, racking up nine straight wins. The loss in the next game against Fitchburg was a hard game to lose as it put them ahead in the league. The team took it out on the next teams it met, notching another four wins to put them over the top and into district play.

Each of the four seniors took an active role in leading the team: Jess Aditays had a very successful year, racking up several shut-outs, a no-hitter, and innumerable strike-outs, Leah Segrin played a phenomenal year at short stop and made key plays that contributed to the winning record. Kelly Conroy had her first year at first base and evolved into a great athlete making pick-ups which otherwise would be extra bases. Mary Brunell started off at second base until the first face-off against Milford, when she was hit by a pitch that broke her arm, a loss to the team.

Juniors Elise Conley, Deanna Joubert, Kristen Sullivan, Jess Viau, Kathy Hunt, Kate Saba, Shevon Spindel and Shawna Grout were awesome on the field. Their range is all over the field and their ability to place a bunt anywhere or line-drive or hit runners in has had a huge impact on game turnouts. They are sure to lead the team to a successful 2002 season.

Sophomores Keely Nowosacki and Danielle Benoit were big contributors. Keely, offensively, had a number of key hits including two homeruns. Behind the plate, she has developed into one of the best catchers in the league. Danielle played her first year on the team in the outfield.

Freshmen Melissa DelMoro and Shawna Joubert help out on the mound and contributed to the strike-out count. The team's coach is Mrs. Crompton.

IVs: Sophomores Angela Barios, Stefanie DiReda, Gina Esposito, Alisha Gardner, Rachele Joseph, Katie Linehan, Ashley Orlando, Sheron Richardson; freshmen Cassandra Baez, Mary Hogan, Sharon Hwang, Jamie MacLeod, Kara Snyder-Gerardi, Regina Wilson

# *Boys' Tennis*

The 2001 Boys tennis team had a solid season. As a young team, they compiled an 11-5 record and advanced to districts yet again. Sophomores phenoms Nate Bernhard, Kenta Tsuda and Justin Gieser had quite impressive seasons. Juniors Tan Vo, Urjit Patel and Mark Bolton also won a fair share of matches. Paul Cotto, Burgess Gow and Josh Zarr did a good job leading the team and guiding them to another district season. Coach Handy has an impressive group coming back next year, so watch out for the future of Shrewsbury in Boys tennis!

2001 Team: Seniors Captain Paul Cotto, Burgess Gow, Tom Moore, Joshua Zarr; juniors Mark Bolton, Urjit Patel, Tan Vo; sophomores Nate Bernhard, Justin Gieser, Dennis Holtgrefe, Abel Lin, Kenta Tsuda; freshmen Gary Mak, Brendan Zarr.

# *Girls' Tennis*

Influenced by the coaching of Mr. McGinn, the team has had a great season. The season began with a stellar record of 7-1, truly showing the team's skill. All of the girls had worked hard off-season - and it showed. Starting at number one singles was senior Lauren Michaels who showed she was capable of putting up a fight with the top players in Central Mass. Co-captain Jesslyn Kuekan had an undefeated season in her second singles position. Sophomore Danielle Rebh had a great season in her third singles spot. The first doubles team of senior co-captain Emily Kinback and junior Lesley Fisher made a strong contribution to the team, along with the second doubles team of Steph Mak and Vi Tran. Completing the 2001 roster were juniors Meg Schmidt and Meg Howe and sophomore Kate Favilli.

Spring Sports: Track 19

# *Boys' Spring Track*

The Boys' Track Team was led by Captains John Pustis and Kevin Wilkes. Pustis took control of the half-mile and iron man doubled in the 4x400 meter relay. Wilkes proved strong in his four events: the 300 and 110 meter hurdles, and the triple and long jumps. Dennis Ferrante and Brian Gader led the powerful throwing squad to victory. They muscled out the competition in the discus and the javelin. Marc Spellman dominated the 400 meter run and led the 4x400 meter relay. The team showed their heart and desire, proving their strength in every meet. With great underclassmen returning, the team looks forward to a strong 2002 season. Coach is Mr. Butterfield.

Seniors Kevin Davis, Dennis Ferrante, Brian Gader, John Pustis, Marc Spellman, Kevin Wilkes; juniors Bryan Anderson, Ken Collier, Craig Haglund, Dan Hyzak, Ryan LeBlanc, Chris Lynch, Adam Maroney, Ryan Mauro, Brendan Nemes, Tom Roddy; sophomores Sunny Dehal, Greg Gagne, Jeff Hayes, Matt Kinback, Dominic Mwangi, Chris Osmer, Chris Pustis, Stephen Robitaille, Eric Simas; freshmen Tom Conley, Tyler Cooksey, Curt Gustafson, Erik Hansson, Andrew O'Brien.

# *Girls' Spring Track*

This year's girls track team had huge footsteps to follow. With the leadership of captains Jenny Dehal and Gina Valentine, they worked their hardest during very long practices and meets to end with a 5-1 record, their only loss being against Fitchburg by a very close 4 points. With their motto "It's not over", they came back to beat Wachusett. The team was very young with only six seniors leading the way. Valentine led the distance team with junior Kristin Koziara and freshmen Jen Stacey, Steph Lubke and Julie Goodness. Dehal lead the sprinters with seniors Krissy Wyman, Lauren Ostrosky; juniors Dani Cuénoud, Kelly Sullivan; sophomores Lauren Golato, Kate Gannon, Sarah Carbone; and freshmen Sarah Barbouta, Corinne Simisky, Akosua Owumfour. The throwers were led by Wyman, juniors Michelle Gonyea, Kasia Tomecka, Sarah Mowatt; sophomore Liz Adams, and freshman Katherine Comeau.

The jumping events were dominated by high jumpers Gannon, Carbone, Cuénoud; long jumpers Dehal, Carbone, Cuénoud; and triple jumpers Dehal and junior Sarah O'Brien. The girls dedicated themselves to learning new events and learned from awesome coaches Mr. DiPilato, Mrs. Fenner and Ms. Holdash. The team celebrated eight all-stars: Valentine, Lubke, Stacey, Goodness, Dehal, Barbouta, Wyman and Cuénoud.

Completing the team: seniors Vicki Hendrickson, Irene Hossey; juniors Eileen Billings, Kristin Narolewski; sophomores Jess Card, Heather Mantyla, Dorcas Mudzingwa, Becca Pugliese; freshmen Vanayda Knight, Haniyah Kafel, Cassie Upton. This year's team probably had the most heart, spirit, fun on bus rides, and ice cream than any team in the past.

## *Girls' Lacrosse*

After raising over \$8,000 just to play, the girls lacrosse team became a varsity sport. They were a club for two years, but now, as a first year varsity program, the girls are headed to the District Tournament! The team is lead by seniors Aubrey Andre, Colleen Fitzgerald, Caitlin Buckley, Amanda Walsh, Kate Welch and Adrienne Pereira. The team travels as close as Worcester and as far as Nantucket (whom they beat 7-6). They hosted and played an English team early in the season. The team is young and has high hopes for the future. Even though they will be fundraising again next year, the program will be even stronger with an experienced varsity and the new junior varsity. Lacrosse is coached by Mrs. Andre.

Seniors Aubrey Andre, Caitlin Buckley, Colleen Fitzgerald, Adrienne Pereira, Hayley Tozeski, Amanda Walsh, Kate Welch; Juniors Marissa Alarie, Andrea Altomari, Jess Beauregard, Suzanne Czerniak, Kelly Gieser, Julianne Lofgren, Becky Rossi, Laura Starr; Sophomores: Nicole Alarie, Liz Avis, Caitlin Gardner, Kate Mastro, Amy Ngo, Anna Kim Reilly, Amy Rodriguez, Carol Sogigian; Freshmen Mariah Augustino, Ashton Bradley, Danielle DePalo, Kelly George, Molly Hammond, Yang Long, Julie Neafsey, Michelle Surrette.

The boys lacrosse club had yet again another winning season under the leadership of founders, Peter and Paddy McParland and Dan Morgado. They finished the season with a 11-3 record and a close loss of 6-7 to rival St. John's. Coach Matt Hull molded the mostly inexperienced athletes into a successful and confident team. They look forward to next year with seven of ten starters returning. Starting line: Attack Peter McParland (Sr.), Paddy McParland (Jr.), Greg Lloyd (Soph.); Midfield Dan Mor-

# Foreign Languages

Espana! Mrs. Black and Mrs. Estaphan lead ecstatic Spanish students through Spain for ten spring days. Candids show the group in front of Segovia's Alcazar and at the Marisa Luisa Park in Sevilla. Some of the group attempt the Flamenco while in Sevilla and others lunch in Madrid. Spanish students: Liana Popkin, Kate Melican, Colleen Fitzgerald, Trang Nguyen, Aubre Andre, Irene Hosey, Hayley Tozeski, Tara Pawlik, Kelly Bates, Jess Bouthiller, Smriti Kodandapani, Julie Mehne, Jenny Dehal, Kate Guiggio, Nicole Lodowsky, Sara Barnard.

Hundreds of French, Spanish, Italian and Latin students created posters, costumes, and ethnic food to celebrate Foreign Language at SHS.

World Civilization I students add to the garden near the Gym entrance: dozens of "blue" pansies. A World Civ II class hosts Carolyn Humber's Dad who shared his modern warfare experiences in Viet Nam and in the Persian Gulf. ELNA organized two assemblies featuring Bobby Petrocelli. He spoke from personal experience of the tragic impact of drunk driving. Five SHS Seniors received the Girl Scout's "Gold Award" in May: Amanda Walsh (St. Anne's Health Clinic Survey); Colleen Fitzgerald (Art to Life); Adrienne Pereira (Refreshing St. Anne's Kitchen); Jaspinder Dehal (Math/Science Opportunities for Women); Julie Thayer (Women in Medicine: Who - What - Where - Why).

Super Seniors (Football) celebrate their State Championship success: Jesse Bergman, Mario Johnson, Brian Robitaille, Jeff Quan, Lee Diamantopoulos, Brian Gader, Matt Vaccaro, Nick Dion, Dennis Ferrante, Stephan Weisman, Paul Tokatli, Chris Babigian. Matteo Urella was part of the Child Development's "Baby-Think-It-Over" project. He writes: "Having Keesha with me for two days and two nights was more than a learning experience: sitting by at lacrosse practice, crying at four in the morning, waking me up. This is a great opportunity for students to learn and perhaps make an informed decision about becoming a teen parent. Being a "fake" teen father for two days has made me think twice about having to deal with the real thing."

The Class of 2001: Ten top ranking academic students. Arya Shekar is Valedictorian and Smriti Kodandapani, Salutatorian. World Civilization II students visit the American Textile Museum in Lowell.

Ms. Yurkinas is on sabbatical in China. She sent photos of the children in the school where she is teaching English. The school is part of the Nanshan Group Enterprise Zone (an industrial complex) located outside a small city called Longkou (Shandong Province, about two hours from Yantai). Ms. Yurkinas writes: "The children scream at the sight of us, then proceed to charge and mob us. There have been foreign teachers here since 1998, but they act as if they have never seen Americans. All of the students are children of Nanshan Corporation employees. The idea being that they will work for the company in some capacity upon graduation from the adjacent university." She continues: "... and six of us ate breakfast in my village — porridge, fried bread, hard boiled eggs, tea, and peanuts, for a TOTAL of \$1.00."

# Senior Exhibition

Nine SHS Seniors piloted a course called Senior Exhibition. They worked independently throughout the year mentored by a chosen faculty member. Each chose a subject for which they felt a deep interest. In late May, they presented their findings and conclusions to an audience of not only the SHS community but also townsfolk and other interested attendees. Presentors and their topics: Jenny Grillo (The History of Advertising and Teenage Girls), Cathleen Schnare (Certified Financial Planning & Investing), Smriti Kodandapani (Conservation in Shrewsbury), Christina Grosso (Dealing with Adoption), Justin Zuffante (Automotive Customization), Julie Thayer (Physicians of Tomorrow Mentoring Program), Chad Peterson (Technology in Shrewsbury Law Enforcement), Michelle Violette (Crime Scene Forensics), Christopher Babigian (The Armenian Genocide).

# The New SHS

Mr. Largess led a tour at the site of the new SHS in late spring. The school is approximately 280,000 sq. ft. in size and has a design capacity of 1475 students. Additional classrooms can be added if necessary as the core facilities like the cafeteria and the media complex can accommodate 1700. The academic wings are three stories high with a corridor for each of the disciplines. The auditorium stage can just be made out, but the rising audience seats (of a 850 total) can't be mistaken. There is also a large presentation (150 sears) meeting area next to the auditorium. The gymnasium includes an indoor track. There will be a full complement of athletic fields. Although the fields will not be ready for fall sports, the plans are to begin the 2002-2003 school year in this new technologically up-to-date spacious facility.

Mr. Cote's students returned to Vernon Hill School in May. This SL experience was supported again by Mrs. Bartelson. They were joined by Mrs. Fair and Mrs. Moulaison. SHS students show their support for the Stepping Stones Theatre events. Mrs. Kosik, long a SL enthusiast at both SHS and SMS, receives a

plaque and thanks (just before she and her family moved to Florida) from Mr. Gutekanst and Dr. Bent. Lu Zhao, Ashley Harmon and Lea Roberge created this papier mache "sad cigarette" as an installation (sculpture

made for a specific site). It was placed outside the 300's lavs as a reminder and warning. For the first year, SHS awarded SL scholarships to Seniors involved in Service Learning, who reflected on at least 100 hours of service, wrote a substantive essay, and were interviewed by Mr. Gutekanst. Winners were: Katelynn Melican and Adrienne Pereira (\$1,000 President's Challenge Scholarships), and Amanda Walsh and Paven Aujla (\$250. Principal's Scholarships).

Goodness, Mindee Gordon, Burgess Gow; Also, Kacie Holton, Jason Horton, Kristen Koch, Smriti Kodandapani, Molly Kosik, Kate Lebeaux, Kate LeBoeuf, Paul Lincoln, Haiwen Lu, Katelynn Melican, Stevie Miles, Stefanie Millette, Vidhi Misra, Adrienne Pereira, Carrie Rutkowski, Jenna Rutkowski, Kate Saba, Arya Shekar, Alan Simonian, Julie Thayer, Jackie Thibault, Hayley Tozeski, Vi Tran, Cheryl Tula, Matteo Urella, Amanda Walsh, Michael Whitaker, Jill Whitney, Julia Williams, Chris Zajchowski.

Service Learning Awards were received by 44 HS students, who accumulated over 5,000 of service during the year. Volunteers must document their service and reflect upon it. Charles Abdelahad, David Akman, Aubrey Andre, Paven Aujla, David Chapin, Erica Cove, Jeanette Davis, Priyanka Dayal, Lauren DiBenedetto, Jaclyn Dustin, Colleen Fitzgerald, Julie

SL Advisory Board students made three important presentations about the SHS SL Program: the Department of Education Statewide Conference (at Holy Cross); the MASS Alliance Regional Breakfast (at Millbury) and to the SHS Department Chairs. SL Board members were Adrienne Pereira, Dave Chapin, Carrie Rutkowski and Jeanette Davis. They were joined by Lauren DiBenedetto, Sheryl Lunt, Sarah Haime and the MS's Kelsey Kosik and Amanda Sparks at the Holy Cross Conference. Sophomore Peter Mulcahy presents a check for \$700. to the Worcester Director of the American Red Cross for the Indian Earthquake Relief Fund, which he collected during lunches at SHS.

## *The Cafeteria's . . .*

Night and Day, cafeteria use goes way beyond students meeting and greeting and eating lunch! Each month a different class or group sponsors Blue & Gold Day. Here it is the Freshmen Class. Once or twice a year the Jazz Ensemble creates the background music - a real treat. When the kids are home on a workshop day, the Parents' Forum hosts a luncheon for the staff. Often, during non-lunch period hours, the cafe is used for meetings. Mr. Coghlin meets with some students to collaborate on an engineering project for the "new" HS. Many evenings see cafe activity, especially toward the end of the year. One big event is the NHS Dinner and Induction. At this year's meeting, Mrs. Fair addressed the NHS. She stressed that often being prepared to grasp a new opportunity allows for the greatest development of potential. Mr. Gutekans and Advisor Mr. Cote pose with the old and new officers.

## Other Life!

The Simas Family, Mr. Marckhand, faculty, and dozens of students volunteered for a real Service Learning event: the dinner in remembrance of Danielle, which raised over \$12,000 in scholarship money. The recipients of the Danielle Simas' Scholarships this year were Kim Balfour, Tom Guarino, Andy Morano, Julie Thayer and Greg Young. The NHS Coffee House is always a well attended event. The SHS's new Dance Club performed, as did singers and music groups.

## *On to bigger and better things . . .*

This June marked the retirement of seven familiar voices at SHS. Mr. Cote is known to many a math student. In recent years he has guided the NHS and been at the forefront of Service Learning at SHS. Ms. Murray taught in the Social Studies Department. She has a fondness for European History and travelled there many times. She also advised the SHS Service League (formerly the Junior Red Cross) making many visits to elderly folks bringing them music, goodies and young and happy voices. Mr. Metcalf has conducted the SHS Orchestra as well as playing a mean trumpet in many a pit orchestra for musicals. From concerts, to graduations, to numerous chamber group performances, his musicality has affected hundreds of SHS performers. Mrs. McCullough has caused hundreds to stop and wonder at the delicious aromas about the Family and Consumer Science rooms. She and her department colleagues have supplied many a pie for holiday baskets and goodies for other functions at SHS. Mrs. Bannon has taught freshmen English for many years and in more recent years attended so many sporting events, one was surprised if she was not seen. Mrs. Tegan has served as the Director of the Math Department as well as chairing the SHS Accreditation Committee. Mr. Olson also taught at the Middle School, but at SHS was to be found in the Technology Education wing. He helped lots of students create beautiful wood pieces.

## The 2000-2001 Sports Odyssey . . .

" . . . So saying, she fastened under her feet those fine shoes, imperishable shoes of gold, which used to carry her over moist and dry to the ends of the earth, quick as the blowing of the breeze; . . . "

The Odyssey, Book I

## Golf -2000!

The 2000 SHS Golf Team had a solid season compiling a 9-3-1 record. Key wins were over Leominster, North Middlesex and Wachusett for the right to reclaim the League Title. Paul Cotton and Shawn Walker led the team by example and on the course as Captains. Shawn Walker was strong for the Colonials all season, as was Ryan Hawley. The team underachieved at the District tournament, however, finishing a disappointing 5th out of ten. Super Sophomores Ryan Hawley and Jay Walker were clutch players in a number of matches and helped the team to capture the title. The juniors were consistent with solid play. Lone freshman SJ Turnblom shows a bright future.

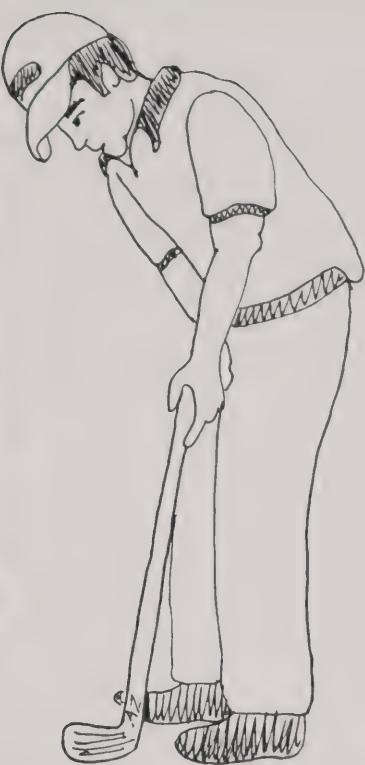

### League Champs

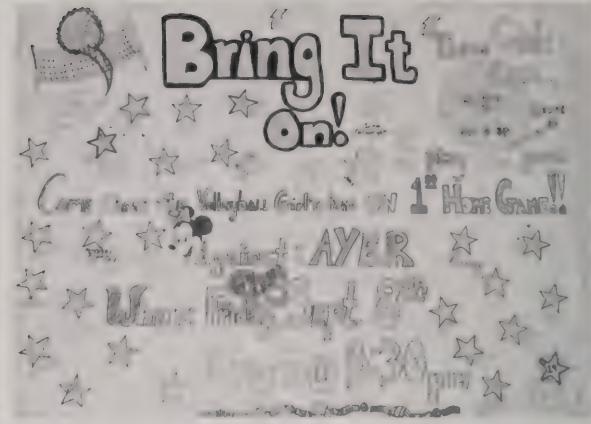

Varsity Golf: Paul Cotto, Shawn Walker, Mike Mahoney, Zach Murray, Mike Sigismondo, Justin Sorenson, Ryan Hawley, Jason Walker, SJ Turnblom. Coach Is Mr. Cornacchioli (Mr. CI!)

JVs are coached by Mr. Simonian: Alan Simonian, Craig Haglund, Mike Hogan, Ryan Bigda, Paul Lincoln, Pat Terrill, Jack Lanzilotti, Matt Monopoly, Rob DelSignore, Mike McManus, Chris Osmer, Tony Pawlik.

Varsity & JV Roster: Kylee Augustino, Kelly Byrne, Kelly Conroy, Briana Malloy, Katelynn Melican, Liana Popkin (Captain); Andrea Altomari, Tin-Zar Aung, Amanda Coffin, Jessica Curry, Colleen Early, Annemarie Korzon (Captain) Joanna Magnani, Carrie Rutkowski, Meg Schmidt; Thin Aung, Jennifer Delaney, Kelly Dumont, Amanda Eressy, Sally Liang, Amy Ngo, Ayumi Shimokawa; Jenn Guenette, Irena Grigoryan, Jennie Rutkowski.

In its third year, SHS Volleyball finally joined the school-funded sports. The season started off with a bang as the team earned a 3-1 record, upsetting a strong Hudson team during that span. Having lost seven Seniors, Captains Annemarie Korzon and Li-ana Popkin, Seniors Katie Melican, Kelly Byrne, Kelly Conroy and Junior Tin Aung made strong contributions to the 5-9 season. The team, Coach Kennedy and JV Coach Landry look to improve and continue building the program in 2001.

Coach Trainor explains "A lot of teams are going to underestimate us. We have a bunch of young talent spread out over the four classes. We're going to be alright. We're going to surprise a lot of people that don't expect us to be as strong as we really are."

The girls had a rough start to the season: five of the starters were injured. However, the team pushed on and made it to districts with a 7-6-4 record. SHS lost in the first round of districts.

## FIELD HOCKEY

This year's Field Hockey team was definitely young but proved that hard work really does pay off. After graduating nine seniors and returning only three starters, the team set about developing their skills, togetherness, mechanics, and speed. The team believed they were going to have a great season because of their successes in ten off season tournaments. Captain Leah Segrin and Elise Conley were two of the three returning starters and also two returning League All-stars. The team was lead by Captain Segrin and Captains Ostrosky and Dehal. Other key contributors were Juniors Rebecca Rossi, Megan Hogan, Kate Saba and Sophomores Keely Nowosacki, Lauren Golato, Dorcas Mudzingwa, Kate Gannon. The team worked hard all season and never gave up: "They respected everyone, but feared NO ONE!" SHS made it to districts and beat an experienced Tantasqua team in double overtime. Continuing in tournament play, they lost to Notre Dame by an illegal shot. Overall, the team had a tremendous season ending with 8-3-7 and producing five League All-Stars: Leah Segrin, Jasplinder Dehal, Elise Conley, Becky Rossi and Keely Nowosacki. ## *SHS Girls' Crew Team*

This fall's 2000 season was hard, yet fun. From 3:30 to 5:30pm there was practice everyday after school. Even in the torrential downpours and the extreme winds, we were at the Donahue Rowing Center! Every moment was worth it! Our wonderful and reliable Captains Nicole Lodowsky and Julie Thayer led the team through everything this season. They were awesome! Our first race was the Textile Regatta. First girls placed 5th and second girls placed 11th. Next up was our race in New Hampshire. There, our first girls placed 3rd and took home the bronze. Nice job, girls! Right after that came the biggest race of the fall season, the Head of the Charles in Boston. Only first girls entered that race and they placed third out of all the public schools and twenty-eighth overall! In all of our races we were against colleges and private clubs. We ended the season with a bang at the Head of the Fish: placing 6th with the first boat and ninth for second girls. We hope the Seniors had fun during their last fall season. We will miss them! On the up side, we are gaining some powerful freshmen. See you all in the Spring!

## "Woo-Hah"

If there were only one word to describe the 2000 Colonial Football Team it would be "achieve". Although a marked team, the Colonials were prepared . . . and continued to win. Led by Captains Ferrante, Johnson, Dion, Diamantopoulos and Robitaille, the Colonials won their opening game against Gardner 14-13 with a key play by Chris Lynch at game's end. From that point on, the team dominated their opponents. A disappointing loss to Algonquin gave renewed inspiration to this veteran football team resulting in an incredible 14-13 win over Leominster. Following that win, the Colonials took control of their own destiny, as well as first place in Division 1A by defeating the Oakmont Spartans. They clinched top spot in their division, as well as a spot in the Super bowl, with a 41-12 win over Wachusett. An outstanding moment of the season was Mario's record breaker for career rushing yards (formerly held by Billy De-Malia)!

Varsity & JV: Seniors Chris Babigian (83), Jesse Bergman (58), Lee Diamantopoulos (Captain & 11), Nick Dion (Captain & 57), Dennis Ferrante (Captain & 89), Brian Gader (61), Mario Johnson (Captain & 34), Brian Robitaille (Captain & 33), Paul Tokatli (51), Matt Vacaro (56), Stephen Weisman (60), Juniors Bryan Anderson (82), Dave Brewer (15), Todd Cooksey (7), Tom Crossman (30), Jonathan Dahl (43), Mark Dimeco (66), Tim Ford (85), Matt Johnson (44), Landon LaPorte (45), Chris Lynch (55), Mike Maloney (80), Billy Moynihan (17), Billy Orfalea (23), Ryan Powers (71), Tom Roddy (75), Nick Todisco (50), Shawn Weigold (37); Sophomores Anthony Bondi (18), Alan Burnett (54), Joe Campbell (40), Justin Clouthier (88), Will Collins (72), Dan Cronin (41), Andy D'Alessandro (79), Nick Ferrante (32), Gery Gagne (64), Kenny Gould (4), Justin Leonard (70), Dan McWilliams (77), Keith Miller (68), Dominic Mwangi (12), Ronnie Nelson (8), Charlie Ngo (73), Chris Nugent (81), Justin Onorato (74), Sam Perotto (10), Stephen Robitaille (87), Joe Zadrozny (24). ## SHS FOOTBALL

### The Last "137 Seconds to a ..."

The 2000 Colonial Football Team's motto was "Unfinished Business". The 1999 Colonials had had a great season, but came up short of victory in the Superbowl against Longmeadow 36-21. This year's team was determined to reach the goal that had eluded them. Coming off a 24-0 demolition of Division 1 power, Milford, on Thanksgiving, the Colonials arrived at the Superbowl on December 3rd facing Longmeadow once again. SHS jumped out to a 14-0 lead sparked by two huge plays by special teams. However, Longmeadow, who had won three consecutive Superbowls, came storming back to erase their deficit. With just over 2 minutes remaining in the game, the Colonials were down 21-14. Seventy-four yards separated SHS from their first ever Superbowl victory.

## S.H.S. FOOTBALL GO COLONIALS!! SUPER BOWL BOUND

ODYSSEY

## ... Superbowl Championship"

Led by the strong running of Mario Johnson and a key run by Billy Orfalea, the Colonials found themselves at the 11 yard line. On a sweep play to the left, Johnson cut back inside, scoring the touchdown with only 16 seconds remaining on the clock. At this moment everyone's eyes turned toward Coach Terry Walles, who confidently held up two fingers, signaling a two point conversion attempt. Johnson ran the ball in, scoring the two point attempt and winning the Superbowl for Shrewsbury. That play could now be considered the most monumental play in SHS Football History. As put best by Coach Walles, "Unfinished business for the 2000 season is officially finished!"

This year's Indoor track team has had a great season. With many new faces, including new coaches, everyone has come together to form a strong team, double the size of last year's. Captains Jenny Dehal, Leah Segrin and Colleen Fitzgerald recruited a number of girls and made the season as much fun as possible. Each captain contributed in her own specialty: Dehal leading the sprinters and high jumpers; Segrin dominated the shotput as one of the best in the district; Fitzgerald rotated back and forth between sprinting and throwing. Other key scorers were Juniors Kristin Koziara leading the distance team, Danielle Cuénoud running sprints and high jumping; and, Seniors Lauren Ostrosky and Krissy Wyman controlling the 45 meter dash. Some rookies were Michelle Gonyea, Kelly Sullivan, Vanayda Knight, Corinne Simisky, Carol Sogigian, who helped the team a great deal. The team is still young and rebuilding, however, with everyone's hard work and commitment, this team's heart and dedication will bring them back to championships. This year's team has already done as well as last and pulled together to come out with a very close and important win over Notre Dame. The team looks to be having promising years ahead.

## SHS Orchestra

Mr. Metcalf directs the Orchestra. The Officers are: President and Concertmistress Emily Cheney, V-President Burgess Gow, Secretary Kelly Dumont, Librarians Tracy Smith and Senri Shimokawa. Central District Acceptances: (Violins) *Nathan Bernhard, Eileen Billings, Alexander Chan, Beth Cheney, Emily Cheney, Sharon Hwang, Stephanie Mak, Liana Popkin, Ayumi Shimokawa, Nicholas Shuster*; (Viola) *Jacob Appelbaum, Joanna Miles*; (Cello) *Senri Shimokawa*; (Double Bass) *Adrienne Zillmann*. (All-State Recommendations)

The violin has the highest range of all modern bowed string instruments. The viola may be a four stringed instrument slightly larger than the violin or may be a tenor or alto violin. The most famous maker of these stringed instruments was Antonio Stradivari (Stradivarius in Latin) 17th ~ 18th centuries in Cremona Italy.

The SHS Orchestra ~ *Violin*: Amanda Armenti, Nathan Bernhard, Eileen Billings, Mary Brunell, Alexander Chan, Beth Cheney, Emily Cheney, Marissa Chin, Erica Cove, Kelly Dumont, Akosua Dwumfour, Julie Goodness, Sharon Hwang, Yinyan Li, Sally Liang, Yang Long, Stephanie Lubke, Gary Mak, Liana Popkin, Amy Rodriguez, Ayumi Shimokawa, Nicholas Shuster, Kenta Tsuda, Gina Vicalvi; *Piano*: Abel Lin, Jessica Yam; *Viola*: Christopher Abbott, Jacob Appelbaum, Cheryl Cox, Lauren Fenuccio, Angela LaPan, Christina Lopriore, Joanna Miles, Alexandra Pappas, Haoming Qiu, Tracy Smith, Christine Whitaker; *Cello*: Nicholas Chan, Erica Chase, Burgess Gow, Kate Leboeuf, Kate Lebeaux, Patrick McParland, Thomas Roddy, Senri Shimokawa; *Double Bass*: Russell Meyer, Matthew Rand, Adrienne Zillmann.

An ancestor of the cello was the viola da gamba (a viol instrument "of the legs"). The modern cello might also be called a violoncello. The cello is the third largest of the violin family. The double bass is the largest of the stringed instruments (and taller than their players). It carries the bass, or lowest part of a musical composition. It can also be called a bass fiddle, bass viol, or a string bass. It may not seem that a piano belongs to an orchestra with stringed instruments. But, it does have strings inside its wooden casing, which are struck by hammers activated by the piano keys!

Concerts date back to 6 BC in Babylon, when Nebuchadnezzar's orchestra was made up of horns, trumpets, pipes, lyres, harps and percussion. Woodwinds originally all made of wood can be made of wood, metal (including silver and gold) or plastic: flutes, oboes, clarinets and bassoons. It was discovered in ancient times that sounds could be made by blowing across one end of an animal bone. 3, 38, 72.: Jan Younghusband, *Orchestra*.) Brass instruments were used for hunts, parades, for public or religious ceremonies: horns, trumpets, trombones, tubas. Sound is created by blowing down a mouthpiece. (112) Playing percussion is not just "hitting things". An expert could practice two hours a day to perfect the various abilities of the many possible instruments: drums, cymbals, triangle, tambourine, woodblock, maracas, claves, castanets; glockenspiel, marimba, xylophone, celeste, vibraphone bells (156, 158)

## Jazz AM!

It happens to almost everyone. That course you want to take meets only during one period - and the course you have to take meets at the same time. So, you lose out! Not so, this year, for Jazz enthusiasts. Some could fit Jazz in during the school day. They do meet Period 2 and are shown rehearsing. It is a small group. According to Mr. Ugliatello, this lets him concentrate on improvisation and theory, not possible with a larger group.

The AM session: Stephanie Camerano (Clarinet), Mike Whitaker (Alto Saxophone), James Hagerman (Tenor saxophone), Brian McDonald (Baritone saxophone), Megan Dunn (Piano), Zach Murray & Keith Sullivan (Bass), Ed Burnett & Brennan Powers (Guitar), Zach Burwick & Jay Trikakis (Drums).

## Jazz PM!

Another session meets Monday evenings for a couple of hours. This fits the schedules of those who couldn't manage it during the school day. Some from Period 2 double up at this session too. The PM group is larger and allows for a broader repertoire because of the greater instrumentation available. Mr. Uglialoro feels the two groups complement each other and will allow SHS to advance to Jazz competitions.

The PM group: Saxophones: Mike Whitaker, Allison Bauman, James Hagerman, Ben Lebeaux, Brian McDonald; Trombones: Patrick Stewart, Jimmy Foley, Kim Weed, Ken Collier; Trumpets: Christine Slavkovsky, Matt Chase, Helen Welch, Richard Pope; Piano: Megan Dunn; Bass: Adrienne Zillman; Guitar: Ed Burnett; Drums: Zach Burwick, Jay Trikakis.

## Academic Odyssey

Perhaps only a short Odyssey - but nevertheless a quest of sorts: to capture throughout SHS all the classes in session during a single period on a given day. The challenge was met. On this and the next eight pages are the results!

Ms. Avedian: "I'm very glad to be at a school where both faculty and students are truly committed to learning, both inside and outside of the classroom. I love the discussions that arise from the themes in the literature we read. The connections students make between it and their own lives are what make the literature stay fresh and alive. The quote that has come up most this year is by Jonathan Swift: 'May you live all the days of your life.' As time-consuming and stressful as it can be, I am thrilled to be working with Speech & Debate. The students in this organization are so committed and dynamic, they make the most grueling practices and tournaments fun. Thank you to all the members of S & D."

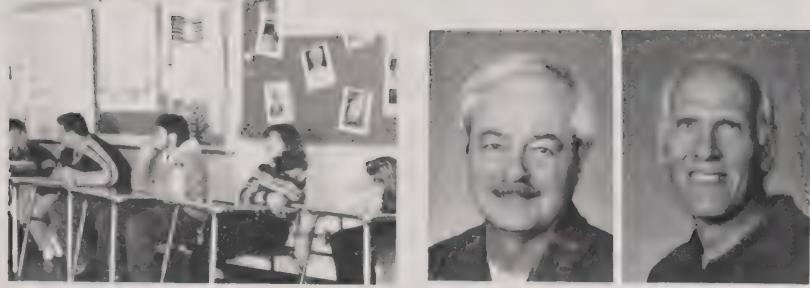

Ms. Mela: "I'm thrilled to be here at SHS. The kids are great! Reading literature allows us to discuss countless topics. I love to hear what my students think. I watch them learn how to express their thoughts in writing." Mrs. Salerno: "So much has changed since I left SHS in 1973. However, high school students seem much the same in all important ways. It's interesting and exciting to be here now as a teacher. Journalism was my 'first' career, and the subject makes a great vehicle for the teaching of writing, editing, and design skills, while conveying news of the world outside of school."

## English

Mrs. LaBelle is Director of the English Department: Ms. Adams, Ms. Avedian, Mrs. Bannon, Mrs. Calimeris, Mr. Danielson, Mr. Hodgen, Ms. Kavanagh, Ms. Mela, Mr. Nelson (not pictured), Mrs. Salerno, Mr. Secino, Mrs. Stevens.

## Social Studies

Mr. Cormier is the Director of the Social Studies Department: Mr. Chace, Ms. Duhamel, Mrs. Goldman, Dr. Klug (not pictured), Ms. Murray, Mrs. O'Leary, Ms. Wilson, Ms. Wolff. Ms. Duhamel is the newest member, taking over Mr. Rich's classes. Ms. Duhamel is a graduate SHS Class of 1995! For Ms. Murray, 2001 marks the last few weeks of her Odyssey at SHS. The department is planning for the return of Civics (under a new name) to the curriculum.

# Science & Technology

New teachers: Mr. Mazza . . . "I've really enjoyed my brief time thus far and felt comfortable in the SHS environment since the beginning. I not only have a lot of great students in my classes, but great people as well. I want to thank them all for making my first year a fantastic one. The faculty has been extremely helpful, which is very important. They always take time to ask how I am doing and lend me a helping hand when I need it most. I want to thank them for making this an outstanding year as well. As far as my subject goes, I have a lot of fun blowing stuff up and setting things on fire. When I look up at my ceiling at the end of the day, I know I have had a good time."

## Science & Technology

The Science and Technology Departments are melded into one and that is led by Mrs. Swenson. Other department staff are: Mrs. Bagley, Dr. Fishman, Mr. Mazza, Mr. MacMillan, Ms. O'Connor, Mr. Olson, Ms. O'Meara, Mr. Smith, Mr. Whitmore, Mrs. Whitmore. Completing the department are Mr. McGinn, Mr. Perreault and Mrs. Schroder.

Mrs. O'Connor: "The thing that most impressed me about SHS when I first arrived was the sense of school spirit and community, especially for such a big school. I don't think I'll ever forget my first 'Field Day' experience . . . Science is the search for answers. The knowledge we gain from seeking those answers impacts us all. I enjoy the relevance of science and the fact that we are continually adding to our body of knowledge about the world around us."

## Visual Arts

### CLASSROOM ODYSSEY

Ms. Welch is Department Director; Ms. Fried and Mrs. Viva. Ms. Welch is exploring Graphic Art this year and Ms. Fried continues to share her interest in Pacific Art with tie-dyeing and Asian symbolism.

Mrs. Viva is new to the Department. For her, "Art is a journey, not a destination! Focus not on the final product, but rather on the artistic process by which the final product is created." Mrs. Viva feels that "Art allows one to express him/herself using multiple intelligences. People of all abilities can be creative and successful. Art provides me the opportunity to be a life long learner. I find my students and I are on a continuous, creative journey, where we learn from each other every day." About SHS: "I love it here! The Administration and Faculty are helpful and supportive. It is refreshing to be around energetic, respectful, young adults who appreciate artistic challenges."

## CLASSROOM ODYSSEY

Music Department Director is Mrs. Narcisi. She also directs the A Capella Choir and the Concert Choir. Mr. Mercalf conducts the SHS Orchestra. Mr. Uglialoro conducts the SHS Marching & Concert Bands as well as the Jazz Band.

## CLASSROOM ODYSSEY

Instructional Technology and Media Services is directed by Mr. Cornacchioli. Other staff members are: Mrs. Costello and Mrs. Vigliatura (Media Center); Mrs. Korab and Mr. Marceau (TV Studio); Mr. Fine, Mrs. Gustafson, Mr. Leoni, Ms. Magat, Mrs. Naumiec are Computer Specialists.

## Foreign Language

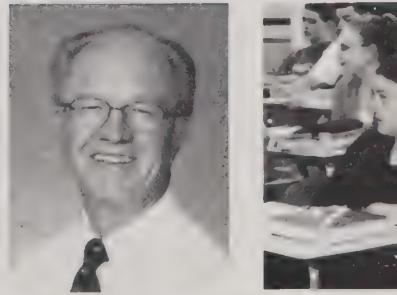

Mrs. Teggart is The Director of the Department: Ms. Baldarelli, Mr. Binkoski, Mrs. Black, Dr. Courchesne, Ms. deOrtiz, Mrs. Estaphan, Mrs. LaBua, Ms. Lange-Madden, Ms. Plourde. New members of the Department are Ms. Baldarelli and Ms. Plourde. The greatest number of students study Spanish, but French, Latin and Italian are also offered this year.

# Mathematics

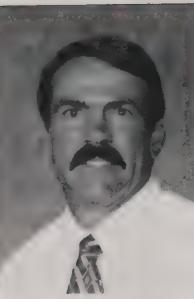

Mrs. Tegan is Department Director; Mr. Clough, Mr. Cote, Ms. Fair, Ms. Gillman, Mr. Kirklauskas, Mr. Klauminzer, Mrs. Kupcinskas, Mrs. Mongiat, Mrs. Moulaision, Ms. Sullivan. Ms. Yurkinas will be teaching in China and we hope to have pictures of her students in the "Extra"!

Our Academic Odyssey continues . . . Ms. Fair: "I absolutely love working at Shrewsbury High School! I enjoy all of the students and care for each one. I believe that if the students know that you care they may put in some extra effort to show you that they care also. I was a computer programmer for 15 years and this is the first job I have EVER had that I look forward to going to every single day! What I like most about math is that even though some of the students don't see the value in each fact that they learn, they are learning problem solving skills and that will benefit them for the rest of their lives. Some of the students don't like math or feel that they are unsuccessful at math and it is so rewarding for me to make them feel more positive about math, and in turn, more positive about themselves. 'Work like you don't have to earn pay, Love like you've never been hurt, and dance like no one's watching.'" Ms. Gillman: I have thoroughly enjoyed my time here at SHS. I have found the people to be very friendly and helpful, and the students to be hard-working, talented each in their own way, and devoted to an incredible diversity of activities. Math is like a puzzle. It is really a tool kit. You keep learning new or better ways to solve problems. 'Strive for excellence, not perfection.'" Mr. Klauminzer: "I like the positive 'can do' attitude here. The administration is very supportive, and the teachers are committed to their students. The best part is, the students are genuinely nice kids. Math teachers are called the dentists of education. So, if I must do a root canal, my job is not only to do it painlessly, it is to help the student like it! That is a first class challenge." Mrs. Moulaision: "I appreciate all the staff and students have done to make me feel welcome. The sense of community here is tremendous and the students make this the best place to be. Although math can be challenging for many students, there is nothing more rewarding than seeing the students work hard and succeed. I think problem solving skills that you learn in math will be valuable throughout each student's life. 'Life is the hardest teacher. It gives the test first'"

## **Health & PE**

Mrs. Gruszka, Mrs. McCullough, Mrs. Monica

Mrs. Gruszka shared her first year at SHS thoughts: "I have found SHS to be a very welcoming place. The students and staff have their mission to educate well in place. The students bring great enthusiasm to the classroom and are very open to helping and understanding others. I very much enjoy working in Family and Consumer Science. My colleagues are outstanding professionals and people. They have been very supportive and welcoming; making me feel as if I have been here for years. Teaching my students about children and human development is very exciting . . . a way for me to touch the future and make a positive impact."

## Infrastructure Odyssey . . .

" . . . Very well, I will tell you all about it. My name is Mentes; I am the son of a clever father, Anchialos, and I rule over a nation of seamen, the Taphians. I have come here now with a ship and crew, voyaging over the dark face of the sea to places where they speak other languages than ours; just now to Te-mese for bronze, and I have a cargo of shining steel . . ." ## Decision Makers

The more usual gathering of the School Committee is at its bi-weekly meetings. Mr. Keenan, the fifth member of the SC is seen at far left.

Central Office Staff are Ms. Abbott, Ms. Bedard, Mrs. Cygielnik, Mrs. Flynn, Mrs. Hixson, Ms. LaValle, Ms. Sherman.

Dr. Bent waits as Mrs Steele points out one last thing to Mr. Gurekanst.

The highlight of the early school year was the groundbreaking at the new HS site. So, that is how we started the opening page of the Yearbook. Here we show some more pictures at the same event: of the School Committee (Mr. Murray, Chair Mrs. Casey, Mrs. Peeples, Mrs. Palumbo) and Central Office (Mr. Kennedy, Mr. Brandmeyer, Dr. Bent, and to the right of Mr. Largess and Mr. Gurekanst, Mr. Collins). All these pictures are taken near the road leading in from Cypress Street toward the student parking lot. This is now a paved road!

Mr. Largess attends a weekly meeting with the Architects and Construction Personnel for an update of how everything is proceeding. Pictures are scenes from the Fall Ground breaking and film taken the week of January 8th, 2001: Mr. Largess and Mr. Gurekanst near the main entrance; three floors of steel girders for one of the academic wings; "Main Street" leading toward the auditorium - seating ramp is visible in center.

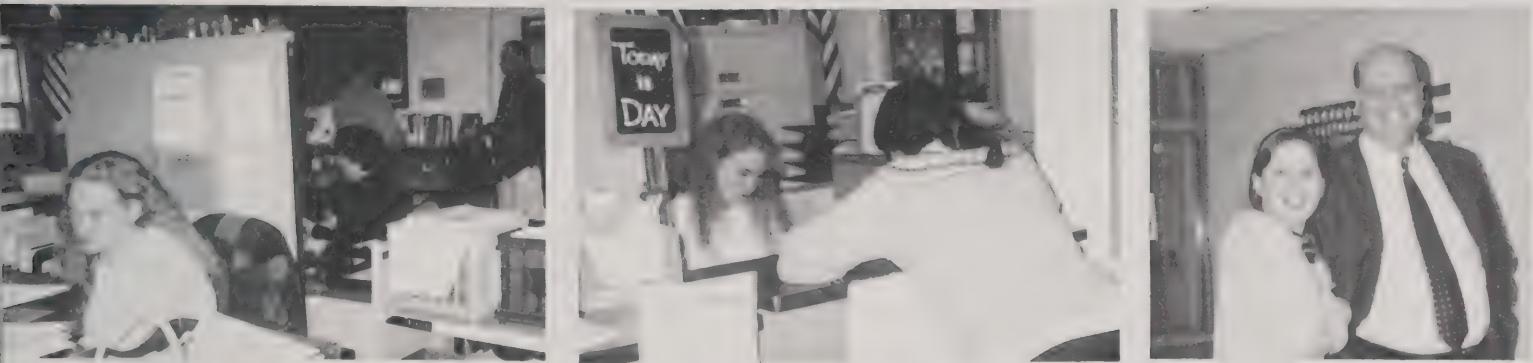

The School Council for 2000 - 2001: Students Hayley Tozeski (co-chair), Dave Chapin, Rob Dalton, SHS Faculty Mr. Gurekanst, Mr. DiPilato, Mr. Nugent; Parents Mrs. Davis, Mr. Saba, Mrs. Speicher; Community Members Mrs. Chamberlin, Mrs. Roughan, Mr. Wensky

Student members are Dave Chapin, Jeanette Davis, Molly Kosik, Adrienne Pereira, Carrie Rutkowski; Parents Mrs. Kosik, Mr. Rutkowski, Mrs. Saba, Mrs. Schmidt; SHS Faculty are Mr. Gurekanst, Mr. O'Connell, Mrs. O'Leary.

Mr. Hassett returned to SHS while Mrs. Matson is on leave. Mrs. Hawkes is the Registrar. Mrs. Barrett is the new Guidance Secretary. The department often finds it necessary to be in the Cafeteria to hand out test results and to remind everyone of the various Guidance deadlines!

The Cafeteria is where we meet to eat and greet and see who is wearing what (especially on Field Day and Blue & Gold Days!) Students keep the Cafeteria Staff busy keeping up with the french fries, the salad bar and the custom made sandwiches, not to mention drinks and ice cream: Mrs. Ricker (Manager), Ms. Basmajy, Ms. Cassise, Ms. Corazzini, Ms. DiPinto, Ms. Farland, Ms. Guerrera, Ms. Hubbard, Ms. Nadeau, Ms. Novotny, Ms. Pagliaroni, Mr. Russell.

Keeping everything clean and repaired is quite a task for Mr. Putelis and his department: Mr. Anderson, Mr. Gillies, Mr. Lang, Mr. Morrissey, Mr. Rose, Mr. Tyrrell.

# Just Outside

## *SHS's Newest Club!*

The new and exciting SHS Dance Team, founded by senior Tipheri Boyers, has caused quite a stir. Tipheri, born and raised in southern California, wanted to get involved in an activity at her new school, but the medium for her was not there. "There's no dance team," observed Tipheri. Her mom told her that if she got a group together, she would volunteer her time.

The first day there were five interested girls. Positive response from the Administration and word of mouth did the rest: at the first meeting, there were 60 students ready to join!

Anyone committed and dedicated remains on the team. All grade levels and many dance styles contribute to this diverse group.

The goals are just as diverse. The team would like to become a sport. They have many performance goals including presenting their routines to the SHS community. In the meantime they are hard at work.

The SHS Dance Team: Danaca Aho, Megan Aho, Kristal Andreano, Amanda Armenti, Thin Aung, Alex Baez, Kerri Barnes, Jeannette Beaulieu, Angelique Bernier, Amanda Berthiaume, Theresa Betti, Valerie Blanchard, Lindsay Boyers, Tipheni Boyers, Meghan Cotton, Sue Cox, Jesus Delgado, Melissa Del Moro, Nicole Dupuis, Bruce Gibson, Karoline Gildemeister, Laura Gulli, Sari Haime, Ann Kong, Evangeline Kuhn, Liz Jasukonis, Sarah Lucier, Jaclynn Martin, Xena (Maury) Peltier, Tina Maury, Maria (Judy) Maury, Mike McKay, Lisa McLean, Kim Means, Rachel Mina, Danielle Mutrie, Anne Mwangi, Taryn Neisz, Mary Ann Nethercore, Angela Oakes, Matt Parelio, Sheron Richardson, Amy Rodriguez, Kristin Scala, Eric Scott, Jen Singh, Jess Singh, Jess Sullivan, Brenna Tymon, Leah Tymon, Jessica White, Nicole Willis.

### WE'RE THOSE PEOPLE WITH THE LOLLIPOPS

JBSG has had another wonderful year of worthwhile community service and fundraisers. This class also informs students about the working world and how to get yourself on the right foot before leaving the comfort of high school. In October, JBSG assisted the Knights of Columbus in raising over \$3000 for the benefit of the mentally challenged. In December, JBSG organized and executed a health care product collection for homeless shelters in Worcester County. February made enormous gourmet lollipops the daily glucose relief for all students to the dismay of teachers (who don't let you eat them in class). Every student involved in JBSG and everyone who contributes to its efforts is actively a part of an improved world of which we should be proud.

# Service Learning Odyssey ...

"... As to any gift which your kind heart bids you offer, when I come back you may give it to me to take home. If you choose me a good one, you shall have as good in return..."

The Odyssey, Book I

This introductory page just hints at all the Service Learning at SHS: Open House, Selling raffle tickets for the Danielle Simas Quilt, Working at Kids' Cafe, Helping out at the Senior Center and at the Food Bank, Serving at the Rotary Pancake Breakfast, Washing Cars, Walking for a Cancer Cure, Creating decorations for the Senior Center, Performing to raise money for the Mustard Seed, Walking for the Jimmy Fund, Collecting for K of C. Following are dozens of pictures taken during the SHS Service Learning Day, December 15th, 2000: "2000Hands~2000Hours". Over 1000 students selected from over 100 Service Opportunities. An important part of Service Learning is the written reflection. Only a few comments could be included. What is very evident are the abundance of smiles.

*Learning to Serve . . . December 15th* "Once Friday came along, I realized that this was worth my while. Sarah really did know what she was talking about. She was actually from Colombia. We went to Staples and bought 15 software programs and educational CDs. Other programs and books had been donated for the Colombia Project." ~ Jill Whitney "Service Learning Day was a great experience for everyone . . . I helped with the Colombia Project. We did this so that less fortunate kids will be able to have a learning environment . . ." ~ Dan Sousa

**Serving to Learn . . . December 15th** "I did something that I enjoy doing . . . playing golf and I got to use some of my skill to show younger kids how to play or improve their game. The kids all looked to be having a good time, not only with my group, but with others. I saw the lacrosse kids playing with big smiles on their faces, too." ~ Tony Pawlik "A smile is priceless." ~ Vi Tran "Everything and everyone came together to make the day a worthwhile experience." ~ Jaclyn McMahon "Organizing the car show will give people something to do and to learn about." ~ Carolyn Humber

**Learning to Serve . . . December 15th** "Service Learning Day was a day when we put aside our own troubles and agendas to help others. In doing that, I think we all came back realizing that those troubles weren't as bad as we had thought them." ~ Katie Zingarelli "I participated in the Worcester County Food Bank. I chose this to do because I enjoy making sure people who are in need will now be able to get food, especially around the holidays. I feel that this was such a little effort and short time for me to make a big difference in someone's life." ~ Jackie Thibault

**Learning to Serve . . . December 15th** "I went down to the 8th Grade hallway and made 'Moo Glue' with them. It was very interesting working with them and to see their reactions at the result of the experiment." ~ Katy Litchfield "In my project we helped 5th graders find their way through math mazes. I think the kids really enjoyed having us there." ~ Jason Horton "The gift of knowledge is the realization that one can share that knowledge with another." ~ Peter de Croos "The concept of the whole school going out to do community service is so amazing." ~ Natasha Srivastava

**Learning to Serve . . . December 15th** "A well intentioned use of faith in the goodness of others." ~ Peter deCroos "All I saw were smiles on our faces and also on the kids' faces. That has to be the best reward for the whole day." ~ Lauren DiBenedetto "I enjoyed making the small children smile. It was fun for them and for myself. I knew I was setting a good example being a part of the play (Vernon Hill)" ~ Jessica White "The type of opportunities that Service Learning offers can allow a stage for enlightenment (4th Grade Visit)." ~ Ryan Carboneau

**Learning to Serve . . . December 15th** "The events of December 15th could teach you a lot of different things. But the simplest message that I got out of my event is that all it takes to lighten up a first grader's day is some red paint on your face and a Santa Claus hat. In my opinion, service learning day was approximately three hours of true holiday spirit." ~ Stevie Miles "Their school store and bank are run by students studying business management. The store stocks (with a mark-ups of 30%) school supplies, candy, clothing with the school's logo. They also have a restaurant and a greenhouse." ~ Nashoba Tech Visit

### *Learning to Serve . . . December 15th*

"I read to Kindergartners. I love children, so I had a lot of fun and I realized that going into the field of teaching is definitely something I want to consider." ~ Natasha Srivastava "I taught Spanish to Beal students. I hope they will have a good impression of Spanish . . . at least excite them about learning, foreign languages." ~ Tim Osborn "Service Learning Day was an interesting experience for me. I first asked them what they knew about the Revolutionary War and no hands were raised. After my presentation I asked again. Almost every hand was raised. I was happy to know that what I had done helped a class full of kids." ~ Nick Slobodkin

 Time grabs you by the wrist, directs where to go.  
 So make the best of this test and don't ask why.  
 It's not a question, but a lesson learned in time."

It's something unpredictable, but in the end it's right.  
 I hope you have the time of your life."

## What is Success? RW Emerson

What is success?  
To laugh often and much;  
To win the respect of intelligent people  
and the affection of children;  
To earn the appreciation  
of honest critics  
and endure the betrayal of false friends;  
To appreciate beauty;  
To find the best in others;  
To leave the world a bit better,  
whether by a healthy child,  
a garden patch  
or a redeemed social condition;  
To know even one life has breathed easier  
because you have lived;  
This is to have succeeded.

Emily,  
We wish you the very best  
life has to offer!  
Love,  
Mom, Dad, Matt, Chris & Erin

## Magic

Sandra's seen a leprechaun,  
Eddie touched a troll,  
Laurie danced with witches once,  
Charlie found some goblin's gold.

Susie spied an elf,  
But all the magic I have known  
I've had to make myself

Jay ~

There may be days when you get up in the morning and things aren't the way you had hoped they would be. That's when you have to tell yourself that things will get better. There are times when people disappoint you and let you down, but those are the times when you need to remind yourself to trust your own judgments and opinions, to keep your life focused on believing in yourself and all that you are capable of.

There will be challenges to face and changes to make in your life, and it is up to you to accept them. Constantly keep yourself headed in the right direction for you. It may not be easy at times, but in those times of struggle, you will find a stronger sense of who you are and you'll also see yourself developing into the person you've always wanted to be.

Go outside and look at the sky. Soak in the atmosphere. Enjoy the colors of the landscape. Feel the textures of every place you are. Smile at the world. Don't allow any negative feelings to creep into your consciousness. Feel the power of your own acceptance. Put a positive spin on every thought you have.

Life is a journey through time, filled with many choices; each of us will experience life in our own special way. So when the days come that are filled with frustration and unexpected responsibilities, remember to believe in yourself and all you want your life to be, because the challenges and changes will only help you to find the dreams that you know are meant to come true for you.

From "Jay Bird" to "Calvin" ... you've come a long way.  
I'm so proud of you, Jay.

Love you forever,  
Mom

And we hope you always stay the same,  
'Cuz there's nothing about you we would ever change.  
I think that you could be whatever you want to be--  
If you could realize all the dreams you have inside.

Don't you ever wish you were someone else--  
You were meant to be the way you are exactly.  
Don't you ever say that you don't like the way you are--  
when you learn to love yourself, you're better off by far.

Believe in yourself, you will come alive.  
Have faith in what you do and you'll make it through.  
And we hope you always stay the same  
'Cuz there is nothing about you we would ever change.

# I've Had the Time of my Life and I Owe it All to You...

Hayoo,

Hey Best Friend...Thank you for helping me grow through life. You have been my fresh air and sun light whenever I have needed you. Do you remember cheese curls on New Year's Eve in 8th grade? St. Johnny's freshman year (lee, where dijoo go??), the Sophomore Semi (Skittles at Nick's), the after prom party Junior year (Basketball All-Stars), or days upon days of clutching our stomachs with laughing pains as SENIORS (Have you seen my...) (Blue berries and fries), "Who let the dogs out?" We will forever have memories of Rent, "N.S. in Lake Quinsig, (Take me Sun God!)," a million football games dancing on the bleachers, a walk-a-thon in Hampton (shall we jumpin?), a birthday celebration in Boston, a night of decorating the field, and "10 Things".

Never forget to dance on every bar you see, wear a side pony tail if you see fit, and laugh as often and as loud as possible. You have taught me so much, and I hope I have done the same for you. If nothing else, remember that if you feel the need to get away, you know who will take you out, get you on a train, and not tell you where we are going, because more than likely, I will not know either.

Forever and always, you can "lean on me...when you're not strong." I'm always your shoulder to cry on, I'll always be your "Summer Sister." Never forget...we can get there.

I love you a million times infinity squared.

Kayoo

Down Together

We could write our names here in the mud  
No one's around to see them  
I could give you a star, you could give me one too  
That way we'd be even  
We could both wear cowboy hats  
And pretend that we could speak Italian  
We could chase our shadows  
around the lawn until we're both exhausted  
And whoever said there's nothing new under the sun  
Never thought much about me  
What's good for you is good for me  
And what's bad for you is bad for me  
Cars break and people break down  
And other things break down too  
So lets go down together... Together

Kayoo-

Thank you for being my complete opposite and teaching me what I need to know. While I was "writing a dictionary" you were telling me to "go cliff diving". You taught me it was okay to take a risk and you taught me what a true friend is. You taught me to "...Want you to want me..." Kewwi, you're my best friend but ever more, you're my sister, and I know that time and space will never separate us. When you're off building me a city to live in, please remember Sunday night dancing and smiley faces. I'll always be your "angel" (with a devil's tail) if you'll always be my "goddess". True love always prevails. I love you Babi...I can never thank you enough for all the times you've been there for me, only a phone call away. Keep dreaming and your wings will help you soar. Don't let anyone ever tell you that you can't do something - stick out your tongue and tell them they're wrong. You're one of the strongest people I know, don't ever change that. Believe in yourself Kel... "We can get there, we can fly..."

And remember, eat only the blue M & Ms...

Always, lee

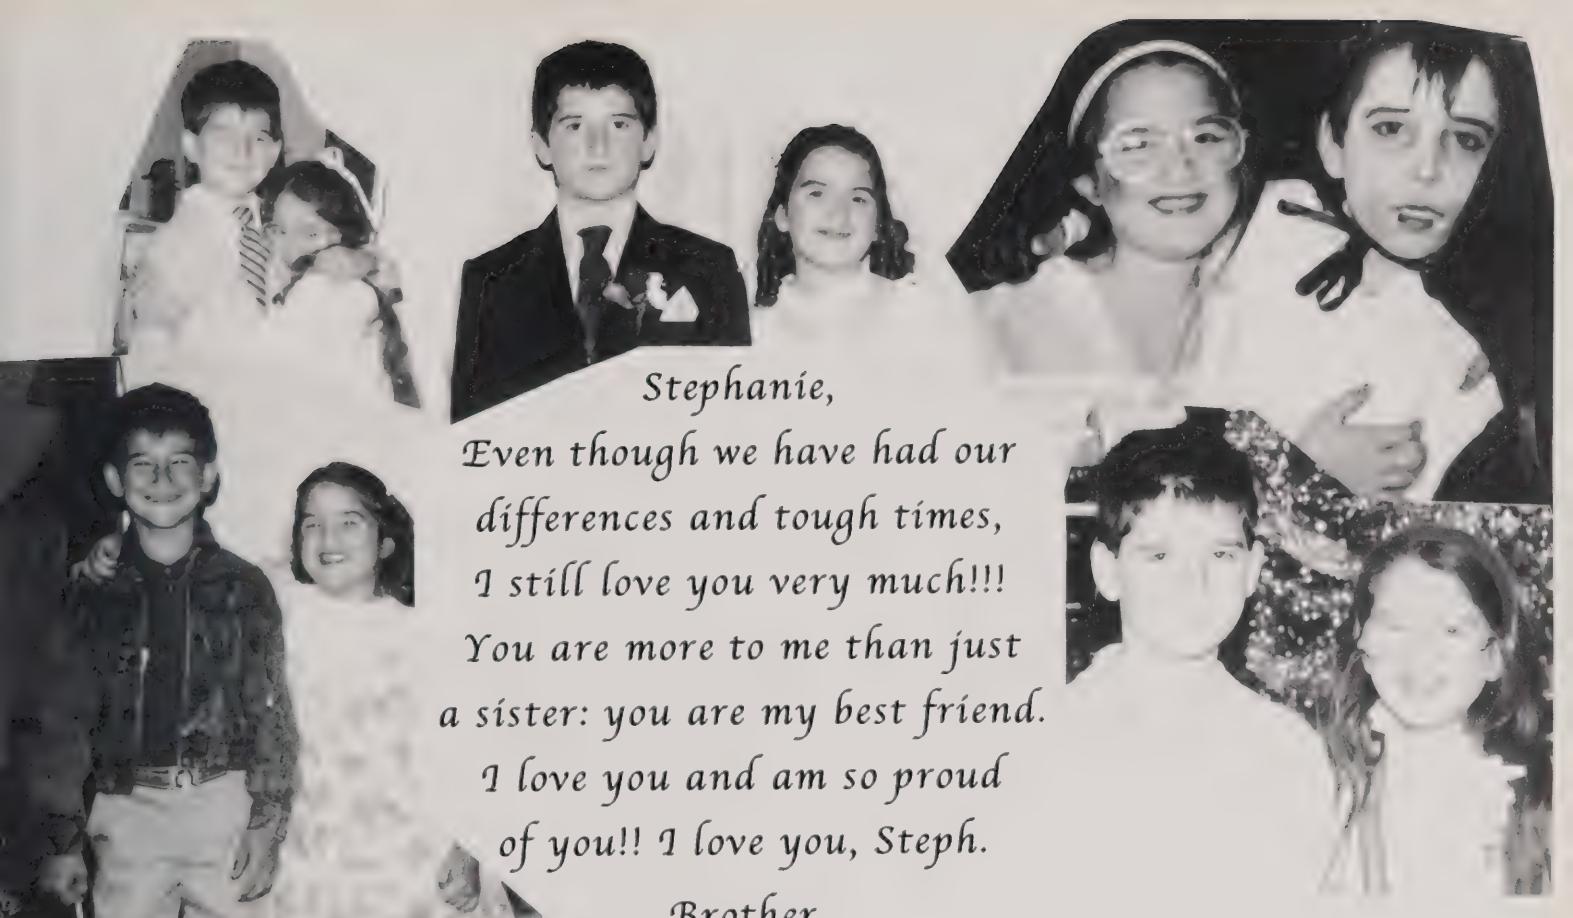

If we could, we would give to you the best gifts of life, ...love, health, and happiness. If we could, we would protect you from all the sadness in the world, but it's not within our power. The gift we give to you is our continued love and commitment to always be there. Johnny, believe in God, believe in yourself, always give from your heart, and the best gifts will be yours.

Love, Mum and Dad

Congratulations Johnny!

*"Sometimes our light goes out but is blown into flame by another human being. Each of us owes deepest thanks to those who have rekindled this light." ~ Albert Schweitzer*

To my friends,

Even my deepest thanks could not completely express the love and kind words I have for you. Through the smiles, the laughter, the tears, the support, the productions and fiascos, we have become forever friends. No matter where our paths take us, our crossing has changed my life completely. Never forget what we have learned together on this part of our journey through life.

Love always, Paven

Dearest Paven,

*"To dream anything that you want to dream ~ that is the beauty of the human mind. To do anything that you want to do ~~ that is the strength of the human will. To trust yourself to test your limits ~ that is the courage to succeed." ~ Bernard Edmonds*

Paven, you have always ~ even from a very young age ~ trusted yourself to test your limits, and we are so very proud of you and your accomplishments. You have filled our lives with love and peace, joy and laughter, enthusiasm and determination, boundless energy and infectious warm smiles, countless happy memories and pride from the day you were born and we want to thank you for that. Now that you have grown into a beautiful, hardworking, sensitive and caring young woman and are ready to test your wings, we just want to say ~

*"Go confidently in the direction of your dreams and endeavor to live the life you have imagined, you will meet with success unexpected in common hours."*

*~ Henry David Thoreau*

Always remember sweetheart, that there is a special angel watching over you.  
We love you more than words can ever say.

With love and best wishes for a happy, joyous, healthy and prosperous future,

Your very proud Mom and Dad

Families have a way of speaking without words. A mother blows a kiss to her child who catches it mid-air and presses it to a cheek, a hand held over a heart points to a loved one who returns the gesture with a smile. A wave means I'm always here whether it is to watch you, or to watch you take your leave of me.

As you toss your graduation cap high in the air, with one hand I will wave to tell you I am watching and proudly tip my hat to you as my other hand, pressed over my heart, then touches my lips to send you all of my love, once again, in one simple wisp of air.

Words cannot tell you how very proud I am to be your mother, and how very much you are loved.

Love always. Mom

of our eighteen years together

April 1983

We were living in hot & sunny Phoenix. You arrived  
on the scene on Good Friday ~ the happiest day of  
our lives. You have taught us so much...  
Your humor, your insight, your beauty and your  
own special style have surrounded us  
We're so proud of all that you have accomplished.

Now it's your turn

Finally, those promises of "someday" have arrived. So...  
"Sail on Silver Girl...all your dreams are at your door"  
Go after 'em, sweetheart.

It has been a privilege to help raise you. We will have  
many wonderful moments to come.  
Thank you for this one. We love you.

Mom, Dad and Adam, Grammie Gregg and  
Grandma Carol. Grandpa would be so proud.

Trang.

It is hard to believe you have finally grown up.  
We are very proud of who you have become and  
it is wonderful loving you as a daughter and  
as a sister. We'll never forget your Little  
Mermaid and your smile that you bring to  
our hearts. We will love you forever.

Love, Mom, Vinh, Duyen & Ann

Trang,

You are everything to me and I  
couldn't ask for a more perfect  
sister. Through good times, bad  
times, and every thing inbetween.  
I love you with all my heart.  
Thank you for being my sister.

Love, Duyen

Jean, I can't believe we are already going to college. I don't know what I am going to do without seeing you everyday. You've always been there to listen to my complaints and advise me. Know that I will always cherish the memories we had together and store them in my heart. In this world I will never find anyone like you. Your personality and your constant smile are what I love most. No matter how far we might end up from each other, I will never forget you. Take care and good luck in college. BFFL!! I Love You, Maria

Ashley,

Above all - be HAPPY...

*The grand essentials of happiness are:*

*Something to do..... so SING      ...your beautiful gift

*Something to love... so TRAVEL ...the world will be a

*And something  
to hope for" ..... so DREAM      ...to be without dreams

We love you for who you are and  
who you are going to be...

Marilla,

Le damos gracias a Dios  
por habernos regalado una hija  
tan adorable.

Congratulations on one of many  
beginnings. God bless you always  
Y te queremos con todo nuestro  
corazón

Nicole,

You were sent to me  
by angels up above.  
I'm certain I thought  
I'd show you what love  
can be, but what did  
I know. Until along  
came you to teach me  
about love. As this  
feeling grows with  
every day, you awaken  
my heart. A heart so

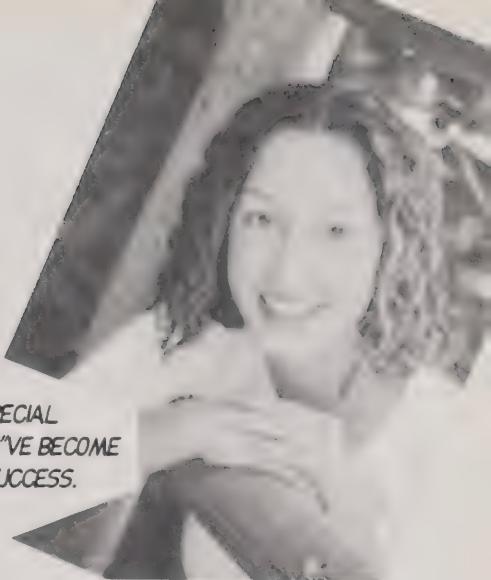

full, I fear that it may break if we're ever apart. Though  
one day you will be on your own, you know I always will  
be near you, as near as on the day you were born. Call  
on me...you know I'll hear you.

Stephen, when you were small (was that ever the case??)  
you always followed in the footsteps of your older brother.  
Whatever he did, you did. Whatever he said  
you thought the same thing.

Well, you have grown up and become your own person.  
You are bright, intelligent, handsome, funny  
and a really great person.

Stephen, we are so proud of you and what you have  
accomplished. We know that you will be successful  
in all that you pursue, but know that you will always  
have our love and support.

*Ever since you were three years old and decided to put on your own show at the bank, dancing and singing Madonna songs, I knew you were destined for something wonderful. Throughout your many years of hard work in dance, singing, and acting, you've always shined like a star. I'm amazed at the talented and beautiful woman you've become- I'm so proud. Bigger and better things await you when you plunge into the heart of New York City. All I can say is, "Broadway..here she comes!" Reach for the stars and beyond, sweetie. I love you.*

## TARA!!

We did it!! There are no words that could ever tell you how much you Mean to me. These past 4 four years have been crazy and you've been the Best friend through it all. "These are the days" explains it all from freshman English to all the parties, Maine, Christmas tree water, the semi, train station Goodbyes, TX, prom, the cape, Guster concerts, pole dancing, the knights that say "nee", p-town, BNL, all the X-Mas parties, health class, mr.amazing blue eyes, "cones mean cops", all the never ending phone calls, countless sleepovers, Easter eve, movies in pjs, candle nights, babysitting with fuzzy channels, getting lost with 21 yr olds, "somewhere out there..", dying hair in TX with orange juice as the plane crashes, 6Flags, laughing until we cried "who let the dogs out", and so much more. Keep the memories close to your heart as I will forever. Remember every moment together and cherish it, remember our past as we look toward the future together because our smiles, laughter, and tears are what we can look back on to get us through the times apart, remember I am here

for you, and remember that you have a best friend for life and beyond.

I love you with all my heart.

Kacie

*Are you lost in the jungle  
and you will never see the sun?  
Come home to me, I'll take care of you.  
I just have to laugh when I think of some of the  
crazy things we've done together - and they didn't  
have been half the fun with anyone else but you.  
I have to look back at those times - and recall all the  
moments spent with you... even the difficult times  
that we helped each other through.  
I wouldn't trade them one - of those memories for  
anything in the world, because they're so much a  
part of my life... and so are you.*

Diana Manning

Look, over the past few years, we've been through a  
whole lot, and I'm sure you know how long our list  
would be if we were to name everything that we call  
memories.

I just want to let you know that I love you and will  
always cherish the friendship that you have given me  
over the years. Just think - this is just the beginning.  
Love always, Tara

## Dear Vidhi

Congratulations, we are very proud of you. You have lighted our life since you were born. We are sure you will do the same with the rest of the world. You are a leader, a strong person, a great friend, most of all a cool sister and a delightful daughter. You will succeed in every way. We have faith in you. We love you so much. Wish you all the best for great health and great success. God bless you and fulfill your dream.

Mom, Dad, Ruchika & Priya

Viola.

It's been quite a journey. I would definitely rate this a 9.5 on a scale of 1-10. I know that you will do great in whatever you face in the future. You are a leader, a strong person, a great friend, and most of all a cool sister. Here are a couple of memory stones we have stepped on along the way. Vik M., brushing blurs, Saif, SUNNY days vs. add a little BASIL in your food,\* athlete, koala's. kutia, One way street, please deposit 25 cents, and...and your throat dries up, and you loose site, and gulp, gulp, gulp. Mr. Ernst, luckily you didn't do too much damage! Ant coloring book, I wanted that green bracelet, not that tacky beret...Ilove it...I love it!!!! And last but certainly least...PaSsIoNs vs. Cosby. Hopefully a year from now you will think back at how stupid your\* stories really were! I love you, and you will always be my #1 auntie ji (sorry Priya).

Love Rochoco

Kelly Leigh

We are so proud of you! The journey ahead is full of possibilities, but don't forget where you started from. (Go Buckeyes!) Wherever the journey takes you, and the rest of us, we will always travel together.

Irene,  
Thanks for always being there for me.  
You've been a really great sister all  
these years and I will miss you not  
being in the room right next to me.

I love you,  
Christine

OWED TO IRENE  
There is a young girl named Irene  
Whose traits can plainly be seen  
And while most are great  
She does sleep much too late.  
But what can you expect - She's a teen (18)!

She was born in the state of Nebrasker.  
She's a virtuoso I.M. multi-tasker.  
Her Jeep is the hottest,  
She's humble and modest.  
Don't believe me? Just go on and ask her.

To help 'round the house she is keen,  
Like driving her sister Christine (crazy)  
But when faced with a quandary  
Like doing the laundry  
Learns - OH! That's the washing machine!

Wait! Maybe I am being too mean  
She does help by driving Christine  
To dance or the mall  
Most anywhere at all  
Just keep her and Rob home Halloween!

Now she's taking her first steps from home.  
Choosing just which road she'll roam.  
Them's the rules of the game  
But life won't be the same  
When she packs her toothbrush and comb. :(

Love, Daddy

Queenie,

We can not believe how fast the time has gone watching you grow from our little girl to a beautiful young woman. You have been our pride and joy and we could not be any prouder of you. Love always and forever. Mom & Dad

To my Daughter Charlotte

# SHS Colonial Yearbook XLII

This 248th page makes this year's edition of the SHS Yearbook the longest of the decade! Subscription remains at \$30 and this includes the Spring "Extra". 750 copies have been ordered from this year's publisher Jostens. Mr. Smith is their local representative. Font is Serif Gothic. Paper quality is 100 # gloss.

The Yearbook title was adapted from the movie "2001: A Space Odyssey". Our Odysseys explore various aspects of the SHS school year and students' school careers. Each section of the yearbook is introduced with a brief quote from the most famous of all the Odysseys - Homer's! A particular Odyssey in which so many of us are involved focuses on the building of a new SHS on land rarely known as Sewell's Hill in the northwest part of town. It is entered from Holden Street and Cypress Street. The northern part of Lake Quinsigamond is within easy view, especially from the third floor classrooms. This last Odyssey will continue to be documented in "extras" and yearbooks through 2003!

Senior Staff: Amy Pugliese, Kate Welch, Arya Shekar, Alyson Zillman, Kerri Sundein, Vidhi Misra; Juniors: Meagan Howe, Lisa Peraino; Sophomores Divya Minisandram, Natasha Srivastava, Cheryl Tula; Freshman Kara Snyder-Gerardi. Art work was created by Alyson Zillmann.
